STEWARDSHIP PRAYER

Of all the human frailties and foibles, faults and sins, the one that seems to elicit the worst howls is hypocrisy. When we profess to believe and practice one thing, and then are caught behaving in the opposite way, our shame is (or ought to be) profound. Religious hypocrisy is probably the worst. When we hold our actions and beliefs to a higher standard and then fail to live up to them, it's human and sinful and flawed. But when we proclaim that we are holding up that higher standard at the same time that we are knowingly violating it, there is a fundamental dishonesty, a breach of truth that is especially repugnant. It adds sin to sin and dishonors the very idea of virtue. It becomes a scandal.

ROMANCE WITHOUT REGRET!

Chastity is almost taboo in our culture, but Jason Evert knows how to challenge this mentality. Join him as he speaks from the heart, giving witness to why our present relationships shape our future life, and how we owe it to future spouses and children to live chastely now! Its NEVER too late! Don't miss this opportunity to spend time with your friends and celebrate life and love! On Monday, September 11, from 7pm until 9pm at St. Peter Church, 557 Lake Street, Antioch, IL 60002. Sponsored by the Archdiocese of Chicago Chastity Education Initiative. For more information call: Henry and Carol Potrykus 1-847 356-3042.
